Welcome to Intermediate Percussion for the year 2017-2018! This is going to be a fantastic year! We are going to work hard and have fun. The purpose of this course is to give students the opportunity to study and perform instrumental music in a group and solo setting. ➤ Grading Breakdown

- 20% - Attendance, Preparation, and Participation
- 40% - Assignments, Quizzes, Written Tests, Playing Tests, and Recording Submissions
- 40% - Concerts, Performances, and Festivals

➤ Attendance, Preparation, and Participation

- We will adhere to the Lehi Junior High Attendance Policy.
- Attendance, Preparation, and Participation includes coming to class prepared with your instrument in good working condition, mallets, sticks, drum pad, any other accessories, all music, books, and a working pencil (on the student's music stand!) In addition, students will be required to follow school and classroom rules. 5 participations points per day will be awarded if the above criteria are met.
- In order to prepare for concerts there will be a few before/after school rehearsals. There may also be additional sectionals outside of the regular class time. *Attendance at these rehearsals is expected and will be incorporated into the student's grade.*

➤ Assignments, Written Tests, Playing Tests, and Recording Submissions

- Students will have playing and/or written tests on a regular basis. The students will typically be informed of the test material at least one week in advance in order to prepare. (Please note that "pop quizzes" may occur.)
- These tests will either be performed in class, individually with Mr. Pollard or another staff member, or submitted as a recording. Please submit any recordings to ljpgollardrecordings@alpinedistrict.org

Lehi Junior High School

700 Cedar Hollow Road, Lehi UT 84043 - 801-768-7010

- Assignments are due at the beginning of class on the date specified. Late work will be excepted for up to 50% credit, up until the last week of the term. Those with excused absences will have an extra day to turn in their assignments for full credit. (Please mark “absent” on the assignment so that I know to give you full credit.)
- Re-takes on all assignments, tests, and recording submissions are highly encouraged! They may be completed before or after school up until the last week of the term for a maximum score of 90%. The goal is that each student will be successful!

- Concerts, Performances, and Festivals
 - Performances **ARE NOT OPTIONAL**. This is a performance group and requires the presence of all students in the ensemble for the best possible performance. For this reason, **unexcused** absences from a performance will result in an automatic two letter grade drop from the student’s final letter grade. We of course understand that emergencies may arise. Absences of performances will be discussed on a case-by-case basis.
 - A detailed list of performances will be provided in this disclosure to help avoid conflicts.
 - In order to prepare for concerts there will be a few before/after school rehearsals. There may also be additional sectionals outside of the regular class time. Attendance at these rehearsals is expected and will be incorporated into the student’s grade.

- Practicing At Home
 - This is a crucial aspect to the success of each student.
 - Students are expected to practice a minimum of 30 minutes per day, 5 days per week on their instrument.

 - Students must submit a program or ticket to prove they went to the concert
 - Any student that takes private lessons may submit a private lesson form for extra credit (see Mr. Pollard for form)

- *Written quizzes may be graded in class by students. If any parent does not want their student to grade or be graded by another student, they must give Mr. Pollard written notice.*
- *On occasion, LJH will travel to various music festivals and/or competitions. This may require a small fee for each student. Ample notice will be given if this is the case. There will also be an optional band trip to California next Spring. More info to come on that soon.*
- *You will check out classroom textbooks and sheet music to use throughout the school year. The student will be required to replace the book/music if it becomes damaged or lost. In addition, our band equipment is very expensive. Any damage or loss of the LJHS band equipment due to neglect or unacceptable behavior will need to be replaced by the student.*
- *Religious Music: Some of the music we play throughout the year may have origins based in religious or holiday music. We do not teach or promote any religious concepts or beliefs. Music is selected based on each piece's musical content, concepts that can be learned, and hopefully it will be enjoyed by students, parents, and staff that attend the concerts. If you or your student object to learning such music, you must inform Mr. Pollard in writing by Sep 1.*

Cut below the dotted line and submit to Mr. Pollard by Sep 1. Keep what's above for your records.

I have read and accept the above disclosure statement. I have thoroughly examined the concert/festival dates, cleared my calendar, and have made arrangements to be at every performance.
